

# Aditya Singh

New York, New York

Data Engineer at Capgemini

---

## Summary

I am a data enthusiast with an interest of fetching a sensible and interesting story from a variety of data. I look for the ways to analyze, present, visualize the data for the Business requirements. Always open to expand my toolkit in the field of Data.

My skills include scripting language Python, relational database such as MySQL, PostgreSQL. Data analysis and visualization using tools such as Tableau, Qlik and libraries such as Seaborn, plotly, matplotlib, ggplot.

---
